

Feminist Fightback 07

Back for a second year, the **Feminist Fightback** activist conference is organised by a group of socialist feminists, including the Education Not for Sale student network. It aims to bring together feminists from a wide range of perspectives to debate ideas and develop practical strategies for fighting women's oppression and exploitation.

Fightback 07 will build on the success of last year's conference, attended by over 220 people, which gave rise to several activist initiatives, including the **March 3 2007 Torch-Lit March for Abortion Rights**.

This year we will continue our campaign to defend and extend abortion rights and our discussions will include...

- ♥ **IS SEXY ALWAYS SEXIST? FEMINISM, LADS MAGS AND PORNOGRAPHY**
- ♥ **ECOFEMINISM**
- ♥ **FEMINISTS AGAINST BORDERS**
- ♥ **ISLAMIC FEMINISM?**
- ♥ **RACE, SEX, CLASS**
- ♥ **THE GENDER PAY GAP, LOW PAY AND THE CLASS STRUGGLE**
- ♥ **WOMEN AGAINST SWEATSHOPS**
- ♥ **PLUS FILM SHOWINGS...**
- ♥ **LOVE, HONOUR AND DISOBEY: A FILM ABOUT HONOUR KILLINGS BY SOUTHALL BLACK SISTERS**
- ♥ **A PLACE OF RAGE: WOMEN IN THE BLACK CIVIL RIGHTS MOVEMENT**

Feminist Fightback's supporters include the National Union of Students Women's Campaign, the RMT Women's Committee and the International Union of Sex Workers.
